

With the enactment of the Defense Production Act and special FDA approval to produce necessary medical related supplies to combat COVIT-19, ComStar International Inc. has begun manufacturing a consumer Hand Sanitizer.

Now, as a result of the above approvals they can offer the following product:

Comstar Hand Sanitizer, 8 oz bottle with flip-up spout, STK # 03-100

The **Hand Sanitizer** is slightly viscous and alcohol based (75%)

Made in USA
